

# Claims

- [c1] 1) An air grill comprising a constitutive layer or a laminar element, wherein said constitutive layer or laminar element has dotted lines made with a die on its surface.
- [c2] 2) An air grill in accordance with claim 1, wherein said dotted lines are located in sections and are parallel to the nearest lateral border of the laminar element.
- [c3] 3) An air grill in accordance with claim 1, wherein said those dotted lines are "C" shaped with their extremes open.
- [c4] 4) An air grill in accordance with claim 1, wherein said layer or laminar element is square shaped.
- [c5] 5) An air grill in accordance with claim 1, wherein said layer or laminar element is made of cardboard.
